

Jessica writes in her journal every day. Today she is having a little fun.

Help her finish this silly story. Write the words from the word box in any space you like.

My friend Lottie is from Skelecki. Lottie and I are very different.

I like to watch television. Lottie would rather watch a _____.

I take piano lessons and play on the neighborhood soccer team. Lottie can play songs on the _____ and is captain of the Skelecki Village _____ team.

I eat the same breakfast every day—cereal and a glass of milk. Lottie starts her day by eating _____ and drinking a glass of _____.

So why are we such good friends? Because we are so different. It is nice to know someone who wears a _____ on her head, has a _____ in her pocket, and can tie her hair back with a _____.

Every day is interesting with Lottie around!
