Small Hands, **BIG IMPACT**

Teaching Climate Change with PBS LearningMedia

April 15
2026

4 PM – 5 PM

FREE
Virtual Session

PreK–5 Grade

Learn how to introduce climate concepts vs. weather through storytelling, science, and hands-on reuse projects. This session includes a step-by-step example of turning old t-shirts into reusable bags — perfect for classroom or family engagement activities.

IN THIS SESSION YOU WILL

- Explore PBS LearningMedia climate resources designed for early learners
- Teach environmental stewardship without fear or overwhelm
- Learn simple reuse projects connected to science standards

WHO SHOULD ATTEND

K–5 Grade Educators

Climate Education

STEM

Environmental Educators
