Virtual Session

K-12 Grade

Explore how to teach media literacy across K–12 classrooms using engaging, age-appropriate strategies and PBS LearningMedia resources. This workshop helps educators guide students in analyzing media messages, identifying purpose and audience, and developing critical thinking skills that apply across subjects and grade levels.

WHAT YOU WILL LEARN

- 1 Understand what media literacy looks like across K–12 grade levels
- 2 Use PBS LearningMedia resources to analyze purpose, audience, and message
- 3 Help students build critical thinking skills to question and interpret media
